

620
ALL DAY
LOUNGE & CITY GARDEN

In the late 1980s and early 1990s, "Face2Face" was one of the first hip-hop bands in our city. Like all Hip-Hop bands, in addition to group members, it had a graffiti sub-group. The Band members and other "groupies" of the time were frequent in the "Park" at Idomeneos street, where the graffiti group had created a large graffiti of the number 626 on the south wall of the park. Semiologically 626 corresponded to the group's name (the original F of the word "Face" is the 6th letter of the English alphabet). *Over time, "626" became the nick name of the park.*

20+ years later, this urban legend was the inspiration for the name of the 626 ALL DAY Lounge & City Garden. A beautiful space from early morning until late in the evening, with excellent coffee & beverages, a wide variety of breakfast & snack options, delicious dishes that travel you from cosmopolitan cuisine to the traditional Cretan table, incredible cocktails & fine alcohol.

Welcome.
